**OPENING PRAYER**

Loving God, we celebrate the joy of Palm Sunday! We shout “Hosanna!” as we welcome Jesus to Jerusalem. We remember Jesus’ passion for justice. We confess how easy it is to relive the happy parts of his life without taking on his struggle to make the world a better place. Forgive us and help us fill our own lives with a passionate and courageous faith. Amen.

**CAMERA OPERATOR VOLUNTEERS NEEDED**

We need a few volunteers in our congregation to operate the Zoom video camera remote control during worship services. The basic requirement is to press one button to move the camera to the music director’s microphone and another button to move it to the pulpit microphone based on who is speaking and where they are. The job will require you to sit somewhere near the camera. If you could help us to do this, please check with John Bubb before or after any

worship service to receive a short training session. We will assign you to specific Sundays in advance. Thank you for your support.

## WHERE WOULD YOU BE IF YOU HAD NO EDUCATION?

Every child has the right to learn. Your generous support through [Mission & Service](#) means that children around the world can go to school thanks to partnerships with organizations like the Kenya Alliance for Advancement of Children (KAARC).

School fees, violence, child labour, and discrimination mean that too many children can't go to or stay in school. KAARC brings together child rights organizations to share information about child protection and safeguarding and to support children in schools. Thanks to your support, KAARC has established over 300 child rights clubs in schools. One of these clubs helped Meshack through primary school. A bursary program helps him pay his high school fees, and the child rights club at his school is teaching him how to be a positive role model.

“To start [going to] school was a problem. KAARC has helped me. They encouraged me a lot. They enabled me to start my primary school. Now I'm in high school,” Meshack says. “The club is helping us a lot, too. They give us role models to teach us what is bad and help us be confident in whatever we are doing. I'm very happy.”

Thank you for helping to break down barriers so every child can go to school, regardless of who they are, where they live, or how much money they have.
